DETAILED ACTION

Status of the Application

Receipt of the Amendment after Non-Final Office Action and Applicant's Arguments/Remarks, all filed 02/16/07 is acknowledged.

Claims 5-7, 9, 11, 16-18 and 20-28 are pending in this action. Claims 5, 21 and 27 have been amended herein. Claims 1-4, 8, 10, 12-15 and 19 have been cancelled.

Allowable Subject Matter

Claims 5-7, 9, 11, 16-18 and 20-28 are allowed.

The following is an examiner's statement of reasons for allowance:

The primary reasons for allowance are that the prior art (Ueda *et al.* – U.S. Pat. No. 6,831,103) does not disclose nor fairly teach or suggest the instant method of promoting sleep comprising administration of a capsule that includes L-theanine powder coated with gum arabic. The prior art fails to disclose or teach the particular forms and features now being claimed by Applicant.

In a telephonic interview held on 11/01/06 between Applicant's representative (Craig McRobbie) and myself (Examiner Sheikh), suggestions were made by the Examiner to amend claims 5 and 21 to include the limitation of a "capsule" whereby the composition comprises "L-theanine powder coated with gum arabic" to render the claims in condition for allowance.

Applicant has now adopted the suggestions previously presented by the Examiner and has amended the claims accordingly.

The instant invention demonstrates an improvement over the prior art in that it provides for a method for promoting sleep, by utilizing theanine, which can be safely taken on a daily basis without any risks of adverse action. The instant method can ameliorate an array of sleep disorders generated by various causations. Thus in view of the improvements demonstrated by the instant invention and the lack of teachings by the prior art, the instant invention is rendered *patentable* over the cited art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
